

NEW TECNOFIRE PRICE LIST – VERSION 1.0

Tecnofire releases **Version 1.0** of its **Price List**,
effective from **1 March 2025**.

Despite the volatility in raw material costs,
Tecnofire has kept prices unchanged for products manufactured in-house,
applying adjustments only to items affected by price increases
from third-party suppliers.

To request the new price list,
please contact your Sales and Technical Representative
or write to **info@tecnofiredetection.com**.
