TFBASE-SIREN

EN 54-3

TFBASE-SIREN
TF6TFBASESIREN

The **TFBASE-SIREN** is the new mounting base with integrated sounder for Tecnofire addressable detectors.

Recent improvements over the previous version have **enhanced sound pressure and mechanical design, facilitating installations** with exposed conduits or pipes.

Following the required testing, the device has obtained **CPR certification** according to **EN 54-3**, issued by the notified body **EVPU**.

The Sales & Technical Team is available for detailed information.
