

NEW TECNOFIRE SLIM CATALOGUE

Tecnofire introduces the first edition of its **new Slim Catalogue**. The publication highlights upcoming product innovations and showcases the most successful solutions from the extensive Tecnofire range for automatic fire detection and extinguishing control systems. The Slim Catalogue also includes a QR code linking to the complete Tecnofire General Catalogue.

To request a meeting and receive a printed copy, please contact your local sales engineer or write to: **info@tecnofiredetection.com**
