

NEW TECNOFIRE PRICE LIST RELEASE 1.0 - 2026

Tecnofire publishes the new Price List release 1.0, which will be effective from 16 February 2026.

Over the years, the list of product references **has been expanded considerably**, now comprising over **700 items**, with the constant commitment to offer the **best solutions** in the field of fire detection and extinguishing control.

NEW

In this release, Tecnofire has included **new testing equipment for heat and optical smoke detectors**.

Testing becomes fast, simple, environmentally friendly and cost-effective.

Tecnofire aims to maintain the high quality of its products.

To do so, even in this time of **volatile raw material costs**, it has **adjusted some prices** trying to **absorb increases as much as possible**.

To request the new price list, **please contact our technical sales representative or write to:**
