

DDNS TECNOALARM SERVICE SERVER MIGRATION

Monday, 29 June 2026

On **June 29th, starting from 9 a.m.**, a **server migration is planned**.
No changes to the control panel programming parameters will be required.

This update will introduce significant **improvements**
and **optimization** to the **security of the service**.

Temporary slowdowns and interruptions of the service that may occur
during this process **will be restored as soon as possible**.

*We apologize for any inconvenience and thank you
for your cooperation.*
